**News** - for all the latest [news and events](#) information, please visit our website page

There have been a number of events that have taken place over the past few weeks of last term. You can read about these and see the photographs on the [news and events](#) section of the website.

## Zigi Shipper visits Redborne

Zigi Shipper made a much appreciated 4th visit to Redborne on the 21st April to tell all 400 of year 9 about his experience of surviving the Holocaust. Zigi was their age, 14 when the war ended and is now an incredibly spritely 87! Students were brilliantly attentive and sat for just over an hour listening to him talk. They then had the opportunity to ask him questions for a further 45 minutes, and get a photo at the end. We are very grateful that he could come again this year thanks to the Holocaust Education Trust and the outreach work they do. These experiences are sadly becoming a rare privilege.

## Upcoming events in May:

All upcoming events can be found on the [school calendar](#) and [important dates](#) for each year group can be found on our website.

## Whole School:

### Exams

The summer exams are getting closer and all students taking exams have received their individual timetables. All the information is available on our [exams page](#) of the school website.

### Art

The GCSE and A Level art exhibition is on Thursday 18th May from 6 - 7:30pm in the art rooms.

## WisePay

We are able to offer you the facility to make payments to the school over the internet for uniform and school trips using an online payment package called WisePay. Over 90% of parents say they would prefer to pay for school items online because it's easier and more convenient than sending cash or cheques into school. The cost of manually processing cash and cheque transactions is very significant and it would be much better if the funds currently spent on this were used for pupil resources instead. We strongly encourage all our parents to make payments online as this is the safest and most secure option ensuring no lost cash or cheques or missed deadlines.

To log in and make an online payment please go to Redborne's website (not WisePay's web site) and click on to the [WisePay link](#). You will be taken to Redborne's payment pages and on the right hand side of the payment page you will see a Login Area. Enter your username and password and you will then see all the options available to your child.

If you do not have your login details or have any queries with regards to your log in please contact Sarah Yau at [stsyau@redborne.beds.sch.uk](mailto:stsyau@redborne.beds.sch.uk) or 01525 842621.

The Redborne Bronze D of E students have been working hard with their training and completing their activities. ## Auuthor Visit - Mark Robson

Mark was born in Wanstead, Essex in 1966, but was raised for the most part of his school years near Carmarthen in West Wales. In 1982 he won a scholarship to join the RAF as a pilot and was an operational pilot in the RAF for over twenty years. During that time he flew for three years on the Victor air-to-air refuelling tankers, for four and a half years as a flying instructor on Jet Provost and Tucano training aircraft and for eight years at Brize Norton, Oxon, as copilot, captain and instructor on the VC10 aircraft.

Mark started writing his first novel in 1995 due to a throwaway line! He was bored in the Falkland Islands as the weather was too bad to do any flying and, in a fit of pique at Mark's waspishness with the inactivity, his navigator said "Oh for goodness sake do something useful. Go write a book or something!" Never one to back down from a challenge

Mark will be visiting the school library on **May 11<sup>th</sup>** and there will be an opportunity for the Yr 9s to be involved in a writing workshop. More information about the workshop will be given to students by their teachers.

## Year 10:

**German Exchange Visit to Bavaria (Years 9 and 10)** - The flights for the German Exchange have now been booked and the dates are:

**Sunday 9<sup>th</sup> July 2017 to Saturday 15<sup>th</sup> July 2017.**

Students should now start making contact with their German partners. Please be reminded of the next instalment dates: £100 by **Friday 21<sup>st</sup> April** and £100 by **Friday 19<sup>th</sup> May**. (Miss N. Crossley)

*Redborne is a successful school on a spacious and pleasant campus near the market town of Ampthill in Bedfordshire. We achieve excellent examination results with over 80% of students typically gaining Maths and English at grades A\* - C. 'A' Level results are also very good with over 59% at 'A\*', 'A' or 'B' grades and an overall pass rate of 99.9%. About 80% of the Sixth Form go on to university and each year a number of students get into Oxbridge; this has totalled 13 in the last 3 years. The school is well regarded and oversubscribed situated in a very pleasant area of Central Bedfordshire, within easy reach of London. The campus includes a state-of-the-art 400 seat theatre and we have plans for further expansion to take the school to a capacity of 1,750, with 500+ in the sixth form. Following a Section 8 inspection in May, 2015 we retain our "outstanding" status. Redborne is also a National College Support School and a Leading Edge School.*
